The stylish rocker designed in 1948 by Ernest Race is still a winner in our opinion, so we were thrilled to hear that Retrouvius is re-issuing it. The bent steel frame is solid and light, and the cushion provides a comfy resting place. From £465. (020 8960 6060; [retrouvius.com](http://retrouvius.com))

We love all three, available (including 18in feather-filled cushion pad) for £70 each. (01252 672 862; [spirografica.com](http://spirografica.com))
